MINNESOTA BOARD of EXAMINERS for NURSING HOME ADMINISTRATORS

Approved Courses for May 1, 2011 - April 30, 2012 ~20 hours required each year~

For programs overlapping renewal periods, you may use the sessions for only one renewal period. Locations are in Minnesota, unless noted. An approval # followed by a "P" signifies the program is not "open to the public," but limits attendance to a specific facility/organization or has been submitted and approved for an individual licensee. These programs are not included in this list, except for the organizational programs with many licensees expected to attend. They will be placed on this web roster after the event to prevent calls to the vendor from non-eligible attendees. Keep the approval form that is emailed or faxed to you when Board review is completed. Web link is posted if it's given to us.
